

MARE FAIR
2026

Joshua, The Corpulent

Badge-Cutter Bradley & Nicholas

"It's a real privilege to welcome everypony back to another unforgettable Mare Fair. Whether you're here seeking treasures in the Vendor Stalls or you're just looking forward to spending some awesome time with old and new friends, I think we're in for an incredible experience. This year the theme should be pretty obvious: We're crossing over into a high-fantasy world of mares. As we set off on this quest together, remember that the truest magic we have is the friendship we share. So, be kind to your fellow adventurers and let's make it a legendary weekend full of MARES!"

—Corpulent Brony, Head Pony In Charge

NEWCOMER'S GUIDE

Greetings, welcome to Mare Fair! If this is your first time with us, you're in for one of the craziest weekends of your life! Here's a tip to get you started: If someone yells "MARES" at you, just yell "MARES" back!

Mare Fair is your premiere My Little Pony convention. Our focus is pony first, charity second, and fun third! That's right, while you're having a great time analyzing the exact eye prescription that Derpy needs (or whatever panel you participate in), you'll also be contributing to our mission of horse rehabilitation and equine welfare. How convenient!

If you're looking to make friends, then you're in luck. Mare Fairgoers are the friendliest, most open group of people you'll ever meet. Just find someone wearing a shirt of your favorite mare and we're sure you'll hit it off. If you're looking for other activities, then this con book is your guide!

Either that, or visit our website for the most up to date schedule and information!

pony.fallenoak.org

We're continuing our love of helping horses by supporting four rescues this year! With the funds (You) raise at our various charity events we can help equines all over Florida. **Fallen Oak Equine Rescue and Rehabilitation** will be our primary charity and will receive 70% of the funds raised this year. Our other charities will receive 10% (maximum of \$10,000) each: **Rainbows Edge**, **Horses That Help**, and **Painted Horse Ranch Rescue**.

GATORMARE'S CHARITY HOARD

FRI 12:00PM–6:00PM

SAT 12:00PM–8:00PM

Hey there, pony friends! The horses of Fallen Oak and myself are thrilled to be back with all of you this year. I'm excited to share updates, stories, and what's been happening at the rescue in my panels along with plans for the future. As of today's date, because of all of you, we have saved 217 horses. We will be having Mare Day and Dinner with Horses again this year. I hope lots of you can attend. This year we get to help three additional charities. I can't wait for them to be blessed by your generosity. I am counting the days until I get to see all of you wonderful people at the end of August.

MARE ENCYCLOPEDIA

FAIRY FLYER

Spry and lively nymph-like creatures, Fairy Flyers are spirits of rivers and festivities. These creatures always seem to be only second or third place to other spirits in the forest hierarchy, and bringing this up to one will make it a sworn enemy of your entire future bloodline. They also hate gold coins.

Fairy Flyers often dance in circles and construct "panel rooms" out of mushrooms and twigs. If humans step inside these rooms, it may seem as though only moments pass, but it was actually three days.

FUNNY RAISER

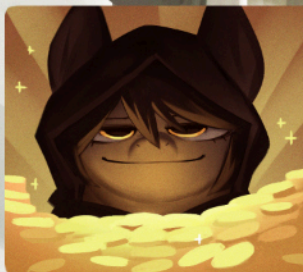

The visage of this old tree wards off trespassers and wrong-doers, making it a useful hiding place for gold coins.

TWINNIES

Appears in the form of two "mares" that can answer any question you might have. Adventurers beware, one tells the truth while the other only tells lies. If you ask them out and they both answer "yes", then do NOT follow them, they will steal your gold coins.

Fair Flyer Shirts

\$35

You can choose from a heathered red t-shirt, or a blue tank top. Both items feature a cute pegasus!

Gator Coin Bag

Linen bag of minted bronze tokens, though their legitimacy may be called into question considering that "gator mare" is not a real mascot and never will be.

Fun Raiser Plushie

\$40

The official squishy middle-aged mare plushie, featuring a non-perpendicular horn! Seriously, I don't know if you've noticed this in some of her art, the reference sheet has her horn sticking out the *top* of her head straight up.

Gator Mare Plushie

\$35

Why did she get a plushie too? For fuck's sake, don't enable this.

Fun Raiser + Gator Mare Plushie Combo

\$69

Mare Fair Adventuring Guide

\$25

An adventuring-themed sticker book, with additional sticker pages to help fill it out! Choose your adventure, and mark your travels through this weekend of mares!

Fun Raiser Enamel Pin

\$25

Shiny gold enamel pin of Fun Raiser letting loose in the only way she knows how, which basically just means taking off her shirt. But is she still really herself without it?
